

Dodgeland Middle School
Jeffrey Sauer, Principal

THE TROJAN REPORTER

March 2019
#DODGELANDPROUD

From the Principal

“April showers bring May flowers” or my translation: Spring is here. And thank goodness it has arrived. The increased daylight and the ability to spent time outside without bundling up in heavy clothes is very much welcomed. Let’s just hope the ever-changing weather in Wisconsin decides to cooperate without any more of the “white” stuff (I am not going to jinx us by saying “it”).

A transition is happening at the middle school as well. It just feels different. A feeling of renewal and new energy abound. Perhaps it is the planning of having our 5th graders visit the Middle School. Or it could be the 8th graders choosing classes for their first year in high school. Whatever the reason, I am confident our staff will capitalize on this new burst of energy and continue to provide high-quality learning experiences.

It is also assessment season. I look at this as a positive opportunity. We will be able to evaluate if our unique middle system is making a difference. Of course, we are constantly doing in house assessments to make sure our students are learning the essential skills. And yes, the state assessment is a single snap of what others believe are the most important skills to measure. It is the reality of all schools to participate. We ask for your help in making sure your child will be able to demonstrate what they know. Plenty of sleep and a good breakfast goes a long way to helping your child be able to concentrate during the tests. I also want you to know, the schedule of classes will be a little different as we complete these assessments.

With the warmer weather also comes a change in clothing our students wear to school. Please make sure to review the school appropriate clothing procedures. This can be found in the handbook on the website. If you are unable to find this information, please contact the office and we can help you.

Thank you for your continuing support of Dodgeland Middle School. It takes a village to help raise a child. Dodgeland Middle School feels like a village because of your involvement!

Thought of the Day

Do one act of kindness each day of the year, and change 365 lives.
~Anthony D. Williams

Dodgeland Schools App, A great way to get notifications, lunch menus and a link to PowerSchool for grades!

Now available: App Store and Google Play

[Dodgeland Middle School Facebook Page](#) is another great place for notifications and great things happening at DMS!

Random Fact of the Day:

Yawns are more contagious among family members than among strangers.

Driven to Give

This spring the Dodgeland Booster Club in conjunction with Lidtke Motors will be holding the Driven to Give event on **May 10 from 3pm-6pm**. **This is a tremendous fundraiser for the Booster Club.** All we need is for you to show up and test drive a brand new Lincoln vehicle or provide your name and address to a current Trojan athlete. For every test drive the Lincoln Motor Company donates money. There is no high pressure sales or phone calls, you may receive three mailers per year, that's it!! Tell your friends and family to show up May 10!

April is Keep America Beautiful month! Earth Day is April 22! Watch Facebook for resources on how you can participate.

Journaling

There are tons of benefits to simply writing down your thoughts and feelings to understand them more clearly. If you struggle with stress, depression or anxiety, keeping a journal can help you gain control of your emotions and improve your mental health. It promotes and enhances your creativity. It propels you toward your goals, helping you bring your vision to life.

Journaling Prompt

Which is stronger, love or hate? Why?

WBCA All Star Game Donations for MACC Fund

I am very pleased to announce that I have been selected to play in the WBCA All Star Games at Justagame Fieldhouse in the Wisconsin Dells on June 15. I am very honored to be able to compete in the All Star Game as it marks me as one of the top Seniors across the entire state in Division 4!

The main goal for this event is to raise money to help the battle against Childhood Cancer. Every participant in the All Star Game must raise monetary donations in order to compete in the games. All of the proceeds from your donations will go towards the MACC Fund.

I am hoping that many of you will help me raise enough money for me to compete in the game, as it is for a great cause. Donating for this cause will allow you to receive as many tickets as you would like to attend the game, just let me know if you would be interested in attending the games. Also, the success rate for beating childhood cancer is now at 80%, which is great, but I believe that it isn't good enough and we need to get that to a full 100%. Your support is greatly appreciated and let's show basketball fans across the state how our community supports high school basketball and the fight against Childhood Cancer!

The way you donate is to follow the link and then fill out the information. When it comes to selecting the player you want to donate for, I should be at the way bottom of the list. Once again thank you all who decide to donate, it truly means a lot to me to play in this game along with helping raise money for childhood cancer!
